Thanks Sam,

I was unaware that the liaison panel was meeting tonight. Mike and I do plan to attend the meeting that is scheduled for next week, Wed. Apr. 19 at the Columbia Falls High School Cafeteria at 6 p.m.

Hope to see you when we are in Columbia Falls, thanks Sam.

Great, thanks for getting back to me, Robert. One more question: Will the EPA have any representatives at the liaison panel meeting tonight to discuss the most recent report?

Thanks again,  
Sam

Hi Ruby,

Our 20-30 minute EPA presentation is on the agenda for the 4/17 weekly City Council Meeting (Monday) starting at 7:00 pm.

I have included Sam in this response. Thanks for your ongoing interest Sam!

FYI - Here is a notification/reminder that we will send out later today:

----

SUBJECT: EPA Update: CFAC Site – Public Meetings 4/17 & 4/19

Hello,

You are receiving this message as an update about the Anaconda Aluminum Co Columbia Falls Reduction Plant site, also known as the Columbia Falls Aluminum Company (CFAC) site, in Columbia Falls, Montana.

Please share this information with other interested people. If you would like to receive these emails directly, please send an email to [moler.robert@epa.gov](mailto:moler.robert@epa.gov). If you do not want to receive these updates, please respond to this email with "REMOVE" in the subject line of the email.

Public Availabilities: Mike Cirian, EPA project manager for the CFAC site, and Robert Moler, EPA community involvement coordinator, will attend two meetings in Columbia Falls in April:

- City of Columbia Falls Council Meeting
  - Monday, April 17, 2017 @ 7:00 pm
  - City Council Chambers, City Hall, 130 6th St West, Columbia Falls Montana 59912.
- CFAC Community Liaison Panel Meeting
  - Wednesday, April 19, 2017 from 6-8 p.m.
  - Columbia Falls High School Cafeteria, 610 13th Street W., Columbia Falls, MT 59912.

EPA will provide a site update and discuss the initial round of data collected in the site investigation process and the draft summary report for that data. We will also talk about the draft community involvement plan and collect any feedback from the community.

Thank you for your ongoing interest and engagement in the CFAC Superfund Site.

Mike,

Sam Wilson, Daily Interlake, called asking for meeting time and date for the CFAC Columbia Falls Council / EPA update meeting. Do you have that information for him? His cell number is 267-664-6680.

Thanks,  
Ruby Miller
